SUMMARY

Motivated and tech-savvy graduate with a BCA and a PG Diploma in AI & ML. Skilled in **Python**, **SQL**, and **AI technologies** with hands-on project experience in building intelligent systems. Passionate about applying machine learning and data analytics to solve real-world problems. Seeking opportunities in **software development**, **AI/ML engineering**, or **data analytics** roles to contribute innovation and technical excellence to a forward-thinking organization.

PROJECTS

AI voice Assistant (Python)

Developed a desktop voice assistant using Python, integrating libraries like SpeechRecognition, Pytsx3, and OpenAI GPT API. Enabled users to perform tasks like web searches, weather reports, app control, and system operations via voice commands, enhancing human-computer interaction.

Doctor Appointment System (Php, html, css, javascript, java, SQL)

Created a full-stack web application for hospital appointment scheduling using PHP, HTML, CSS, JavaScript, and SQL. Implemented patient-doctor interaction workflows and admin modules. Improved appointment booking efficiency by 60%.

CERTIFIED COURSES

Programming : Python (IIT Bombay), Java, C/C++, SQL,

AI/ML : TensorFlow (Infosys Springboard), Generative AI (MIT-WPU & IET), NLP for Developers, Image Processing (MathWorks), Machine Learning using Python

Data Analysis : Power BI for Beginners, Excel (Advanced)

Tools : Tableau, PowerPoint, MS Word

HOBBIES AND INTERESTS

- Cybersecurity Enthusiast & Tech Explorer
- Basketball
- Hiking & Nature Photography
- Travelling

TECHNICAL SKILLS

Programming: Python, Java, C/C++, SQL, R

Web: HTML, CSS, JavaScript, PHP

Tools: Power BI, Tableau, Excel, Word, PowerPoint

AI/ML: TensorFlow, NLP, Deep Learning, Image Processing

Databases: MySQL, IDBM

Others: Git, VS Code, Jupyter Notebook

SOFT SKILLS

- Problem-solving & Time Management
- Team Collaboration & Leadership
- Decision-making
- Adaptability

EDUCATION

SSC – 69% | HSC – 78% (Science)

Bachelor of Computer Applications (**BCA**) – Kaveri College of Commerce & Science, Pune
May 2021 – June 2024 | **CGPA: 7.47**

PG Diploma in **AI & ML** – MIT-WPU, Pune
July 2024 – June 2025 | **CGPA: 6.68**

LANGUAGES

- English
- Hindi
- Marathi
